

Republic of the Philippines
CIVIL AVIATION AUTHORITY OF THE PHILIPPINES

ADVISORY

TO : ALL AIR OPERATOR CERTIFICATE (AOC) HOLDERS

SUBJECT : AMENDMENT TO THE REQUIREMENT FOR ALL DAVAO-BOUND PASSENGERS

DATE : 21 JULY 2020

This is in reference to the Authority's Advisory dated 17 July 2020 advising all air operators of the requirement for Davao-bound passengers to present negative RT-PCR result prior to check-in. Suppletory to the said Advisory, in close coordination with the Local Government of Davao City, all air operators are further enjoined to:

- (i) Require passengers upon check-in at the airport of origin, to present a negative RT-PCR result taken within 24 to 72 hours from departure date;
- (ii) Accept negative RT-PCR result taken within 24 to 72 hours from the domestic departure date conducted by a laboratory overseas for an international flight passenger. All data therein must have an English translation for non-English speaking countries;
- (iii) Note that children 12 years old and below are exempted from the RT-PCR requirement upon check-in, provided that, the accompanying adult passenger presents a negative RT-PCR result taken within 24 to 72 hours from departure date.

This requirement shall be implemented effective immediately.

This measure is intended solely to ensure that the health and safety of the flying public are not compromised in any manner.

For strict compliance.

CAPT. JIM C. SYDIONGCO
Director General
