BID BULLETIN NO. 02

16 August 2019

This Bid Bulletin is issued to address the request posed by One Touch Communications, Inc. (OTCI) pursuant to their purchase of bid documents for the SUPPLY AND DELIVERY OF MOBILE SEARCH AND RESCUE/GLOBAL SYSTEMS FOR MOBILE (SAR/GSM) COMMUNICATION BROADCAST SYSTEM.

In a letter dated 9 August 2019, OTCI requested this Authority to revisit the definition of contract similar to SAR GSM.

It must be stressed that in a number of Government Procurement Policy Board (GPPB) Opinions, GPPB recognized the authority and discretion of procuring entities to identify the technical specifications and qualifications required for its projects based on its needs.

The terms and specifications provided in the Bid Documents are specific and in line with this Authority's security considerations. Thus, finding no compelling reason to amend the Terms of Reference, the request must be DENIED.

For the information and guidance of all concerned.
