	B. Employment Generation Program.....	20
	C. Gender and Development.....	21
	D. Local and Foreign Engagements.....	23

I. Key Policy Issuances

- a. **CAAP Quality Policy** - Designed to constantly enhance agency performance and in line with the adoption of ISO 9001:2015 Quality Management System, the CAAP Quality Policy aims to improve the quality of services and goods, enhance the attitudes and mindset of personnel, avoid uncertainties in roles and responsibilities, eradicate malicious practices, identify and correct inconsistencies in the implementation of processes, prevent erroneous outputs, apply risk-based thinking to avoid problems, and streamline inefficiencies and ineffectiveness with customer satisfaction in mind.
- b. **Information Technology** - CAAP's Information Technology (IT) policies are designed to ensure the efficient and proper use of the Authority's IT resources (such as Internet access, corporate e-mail accounts and office-issued equipment) in support of its mandate. In 2020, the Director General approved the following policies:
 - Authority Order designating Information Technology Officers in Area Centers
 - Memorandum Circular detailing the Authority's Information Technology Usage Policy
 - Memoranda to effect the use of Traze application for contact tracing and installation of endpoint security.

In addition, the Management Information Systems Division under the Corporate Planning Office successfully secured approval of the CAAP Board for the Director General to apply for the Philippine National Public Key Infrastructure Agency Certificate with the Department of Information and Communications Technology.

- c. **Strategic Performance Management System (SPMS)** – CAAP's Performance Management Team was reconstituted in 2020 in order to improve the Authority's implementation of the CSC-mandated system. As a way to link organizational goals and targets with the performance of employees and offices, the reconvened PMT shall harmonize CSC's SPMS with the Performance Evaluation System mandated by the Governance Commission for GOCCs.
- d. **One-Stop Shop (OSS)** – In support of the OFW repatriation efforts of the national government, the Authority is involved with the OSS located at the NAIA Passenger Terminal Building along with the Malasakit Help Desk, PNP AVSEU, DOT, BFAR, DAR-Bureau of Animal Quarantine, Civil Aeronautics Board, DENR and PDEA.
- e. **Ease of Doing Business/Anti-Red Tape** – In compliance with Republic Act No. 1132, the Authority has issued internal memoranda requiring all offices to submit revised Citizen's Charters for review and approval of the Deputy Director General for Administration.
- f. **Finance Key Policy Issuances** – In response to the COVID-19 pandemic, the Authority issued several policies in order to alleviate the financial impact to local stakeholders as well as to efficiently manage its limited corporate funds as a result of the significant decreases in revenues, such as:

- Implementing Guidelines on the Submission of Official Receipts and Invoices as Proof of Payment.
- Implementing Guidelines for the one (1) year deferment of Landing/Take off and Parking fees for Domestic and International flights of Domestic Commercial Carriers in all CAAP – owned and operated airports from March 12, 2020 to March 12, 2021 due to Coronavirus Disease Pandemic.
- Interim Disbursement Policy
- Austerity measures in line with the National State of Emergency brought about by the Coronavirus Disease (Covid-19)
- Implementation of Rental Holiday from March 15, 2020 - December 31, 2020.
- Administrative Guidelines in implementing grant of CAAP wages, overtime, and hazard pay during Covid-19 ECQ.

g. **Minimum Public Health Standards** – In order to mitigate the spread of COVID-19 in its facilities, the Authority has formulated and implemented operational protocols to effectuate the health protocols and standards issued by the DOH, LGUs and relevant agencies for the prevention of the COVID-19 virus.

h. **Regulations** – The following issuances were released in 2020 in line with the Authority's role as the country's Civil Aviation Authority (CAA) with the mandate to promote and ensure aviation safety:

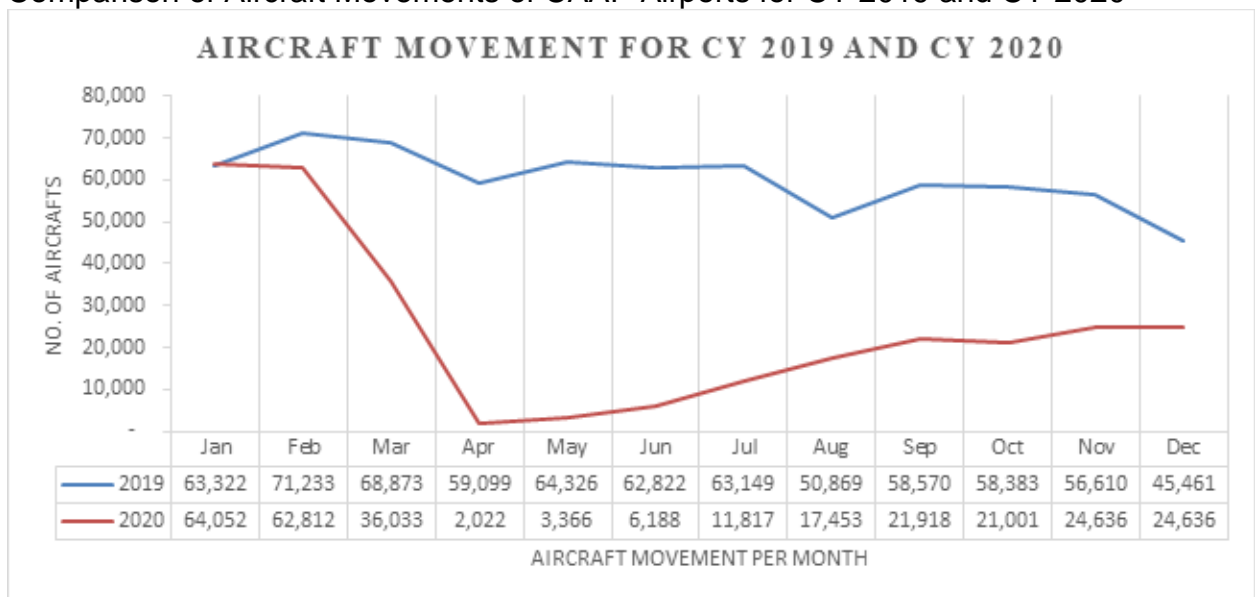

- Certification of international airports in compliance with CAAP's commitment to ICAO DGCA Beijing Declaration to certify all international airports by 2020
- Finalization of Manual of Standards (MOS) for Aerodromes Working Documents (ICAO Annex 14, Volume 1 Amendment 4 & Vol. 2 Amendment 8)
- Implementation of Air Navigation Facility Certification
- CNS Certification Process
- SMS Safety Risk Assessment Process for CNS
- Promulgation of various NOTAMs on the COVID-19 Flight Restrictions of Different Airports
- Promulgation of AIP Supplement for ATM Contingency Plan for Earthquake (Big One) within Manila FIR

II. Operational Highlights

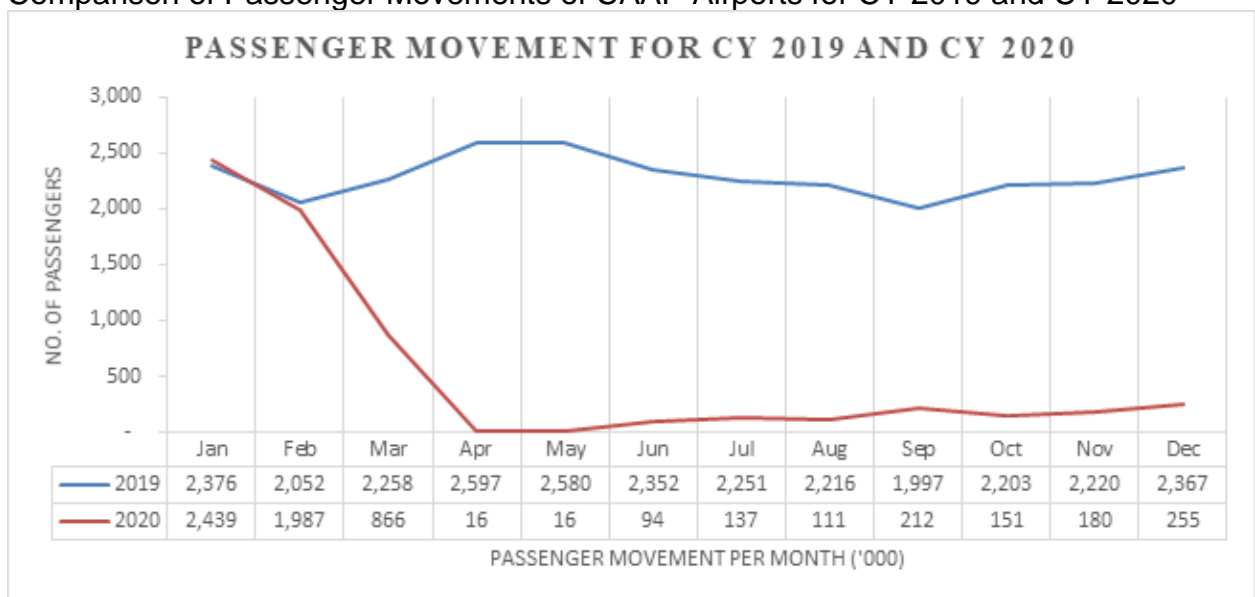

Aircraft, Passenger, and Aircraft Movements – CY 2019 Actual versus CY 2020 Actual

Indicators	Baseline (2019)	Actual (2020)	% Variance
1. Aircraft Movement	723,717	299,832	-59%
2. Passenger Movement	24,468,747	6,787,073	-72%
3. Cargo Movement	256,648,766	123,470,623	-52%

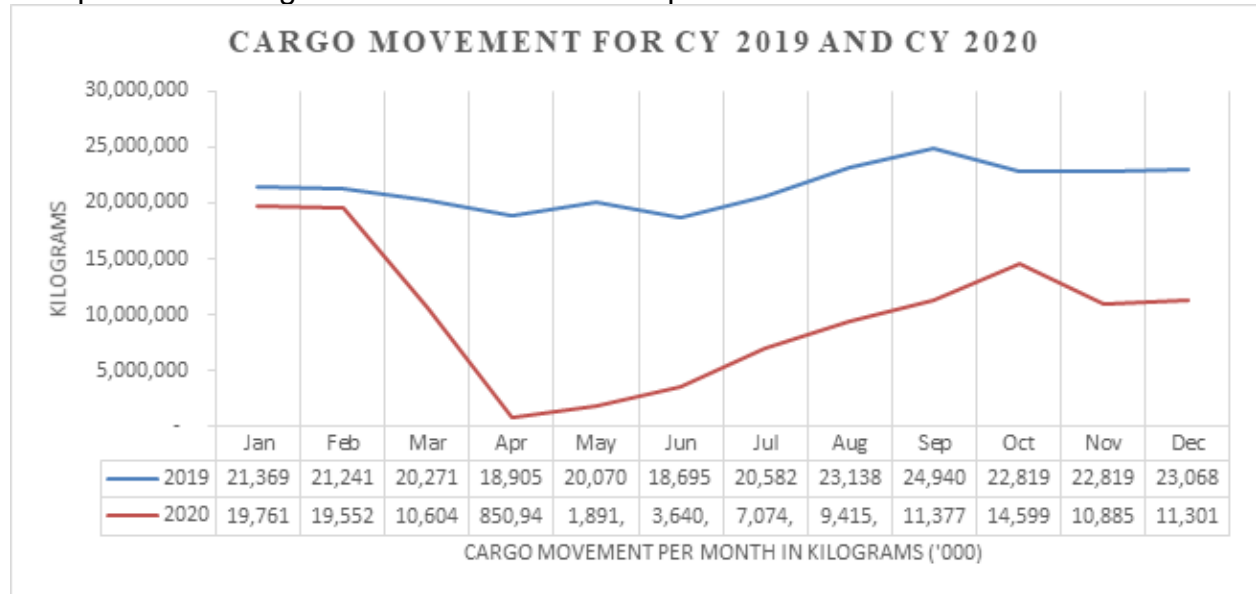

Comparison of Aircraft Movements of CAAP Airports for CY 2019 and CY 2020

Comparison of Passenger Movements of CAAP Airports for CY 2019 and CY 2020

Comparison of Cargo Movements of CAAP Airports for CY 2019 and CY 2020

The graphs show the comparison of aircraft, passenger, and aircraft movements in CAAP-operated aerodromes for 2019 and 2020. The figures exclude statistics from Mactan-Cebu International Airport, Ninoy Aquino International Airport, Subic Airport, and Clark International Airport which are all operated by other government instrumentalities.

Based on the above graphs, a decline in aircraft, passenger, and cargo movement was observed from January to April 2020. This can be attributed to depressed passenger demand as a response to the emerging disease, which was first reported in December 2020 as well as the arrival of the first COVID-19 case in the Philippines reported in January 2020.

A gradual recovery can be observed towards the end of December 2020 due to the easing of community quarantines and deployment of flights catering to Medical Missions, Sweeper Flights, Overseas Filipino Workers (OFWs), Locally Stranded Individuals (LSIs) and Authorized Person Outside Residence (APORs).

However, even though the resumption of flights was allowed, a number of airports/local governments opted to close their borders to visitors for health and safety purposes. Social distancing was also imposed during flights to comply with the IATF Safety and Health protocols. These factors contributed to the slow and gradual increase of aircraft, passenger, and cargo movement for the latter half of CY 2020.

Night Rated Airports

Benefits of Night Rated Airports

1. Decongest Ninoy Aquino International Airports (NAIA) Operations, since domestic flight can already be mounted during night time to and from NAIA and any of the newly night rated airports, effectively allowing decongestion during daytime (considered as NAIA peak hours).
2. Increase in flight capacity due to additional hours of operations, that is during night time, previously not available before night rating.

Current Night Rated Airports:

1. Ninoy Aquino International Airport
2. Clark International Airport
3. Mactan-Cebu International Airport
4. Davao International Airport
5. Kalibo International Airport
6. Laoag International Airport
7. Puerto Princesa International Airport
8. General Santos International Airport
9. Zamboanga International Airport
10. Bacolod-Silay Airport
11. Butuan Airport
12. Iloilo Airport
13. Laguindingan Airport
14. Tacloban Airport

Proposed Airports for Night Rating:

For 2021:

1. Cauayan Airport
2. Dipolog Airport
3. Bicol (New Legazpi) Airport
4. Sangley Airport

For 2022:

1. Pagadian Airport
2. San Jose (Mindoro) Airport

Airports to be developed for Night Rating:

1. Ozamis Airport
2. Sanga-Sanga Airport
3. Calbayog Airport
4. Ormoc Airport
5. San Vicente Airport
6. Antique Airport
7. Virac Airport

Airport Projects Inaugurated (including Maintenance, Repair, and Renovation of Existing Airport Facilities)

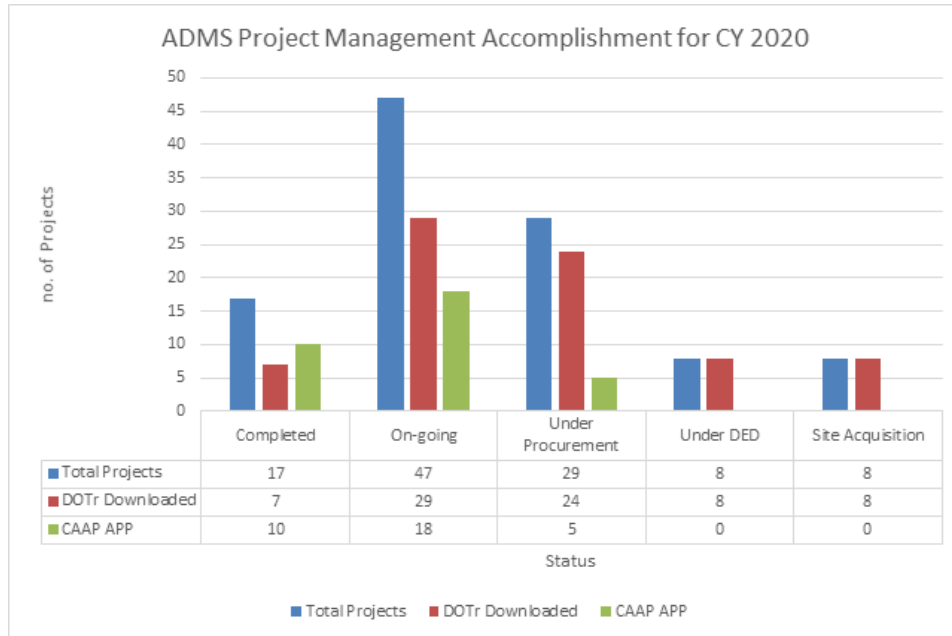

1. Puerto Princesa International Airport new PTB Inauguration (May 2, 2017)
2. CNS/ATM Complex Inauguration (January 16, 2018)
3. Tuguegarao Airport new PTB (March 14, 2018)
4. Tacloban Airport PTB expansion (March 16, 2018)
5. San Vicente Airport PTB inauguration (May 10, 2018)
6. Virac Airport PTB Rehabilitation (June 1, 2018)
7. Maasin Airport New PTB (July 2, 2018)
8. Bohol-Panglao International Airport (November 27, 2018)
9. Marinduque PTB Rehabilitation and Runway Extension (April 11, 2019)
10. Ormoc Airport – Airport Development Complex (July 5, 2019)
11. Sangley Airport – Airport Development Complex (February 15, 2020)
12. OFSAM Ground Floor Annex Building Rehabilitation (August 29, 2020 - Virtual)
13. Dumaguete Airport – Airport Development Projects (March 11, 2021)

Groundbreakings:

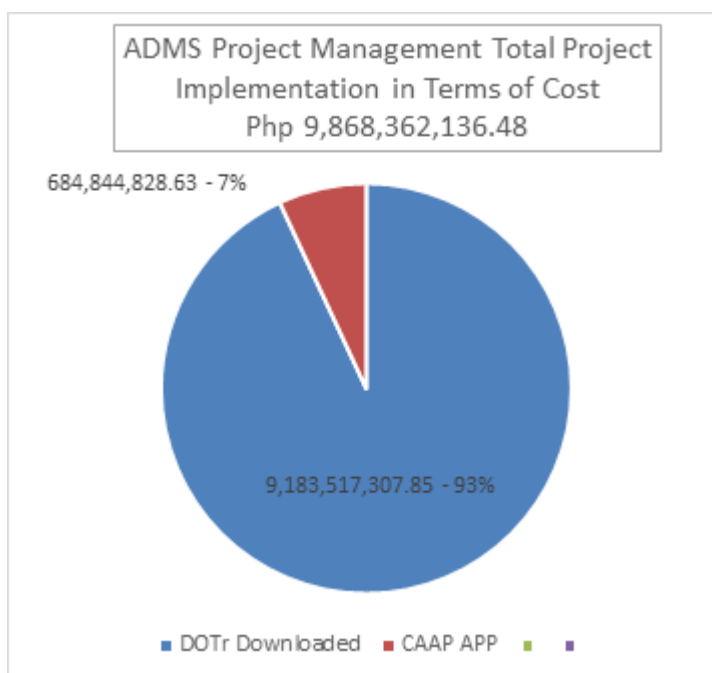

1. Ozamiz Airport Development Project (November 28, 2018)
2. Antique Airport Development Project (December 16, 2018)
3. Clark International Airport Terminal 2 (December 20, 2018)
4. Busuanga Airport Development Project (March 12, 2019)
5. Vigan Airport Development Project (April 8, 2019)

III. Status of Programs/Activities/Projects Implemented for CY 2020

The Aerodrome Development and Management Service (ADMS) of CAAP is responsible for implementing infrastructure projects. The graphs below depict the Accomplishments for CY 2020.

In spite of the pandemic, the ADMS was able to complete 17 projects, seven (7) of which were DOTr downloaded projects while the remaining ten (10) were sourced from CAAP CY 2020 COB. As of year-end, 47 projects were still on-going, 29 were under procurement, 8 projects for detailed engineering design and another 8 projects were undergoing site acquisition.

The aforementioned infrastructure projects totaled PHP 9.87 billion, with 93% of the amount sourced from the General Appropriations Act (GAA) under DOTr.

IV. Financial Reports

Indicators	Baseline (2019)	Actual (2020)	Variance (%)
Budget utilization	86%	83%	(3.49%)
Revenue	₱10.388 Billion	₱3.713 Billion	(64.26%)
Operational Expenses	₱7.178 Billion	₱5.448 Billion	(24.10%)

Total Revenue Collection and Expenditures in 2020:

Revenue Collection	₱ 2,877,094,193.00
Operational Cash Expenses	₱ 4,714,375,568.00

Total Revenue Collection and Expenditures in 2019:

Revenue Collection	₱ 10,580,984,570
Operational Cash Expenses	₱ 4,917,300,436

In December 2019, the CAAP Board approved the Corporate Operating Budget for FY2020 in the amount of P14.291 Billion. Upon the onset of the COVID-19 pandemic in the first quarter of 2020, CAAP remitted a total amount of P6,000,070,486.00 to the Bureau of the Treasury representing dividend payments as well as contribution to the Republic Act No. 11469, also known as the Bayanihan To Heal As One Act, in support of the national government's COVID-19 response and mitigation activities. After said remittances, the Authority had only around Seven Billion Pesos remaining in its corporate funds, which led to the revision of the FY2020 COB to P7,332,755,678.00. The Multi-Year Budget Authority (MYBA) was suspended for further evaluation of priority projects, and was ultimately cancelled while new three (3) year fund allocations were approved.

Under Republic Act No. 11465 or the Bayanihan to Recover as One Act, the Authority received P300,000,000.00 from the appropriations of the Department of Transportation for the Assistance Program granting subsidy for regulatory fees to the critically impacted airlines in the aviation industry.

Proposed Budget vs Actual Expenses

The Authority utilized ₱6,095,431,694.32 or 83% of its DBM Approved FY2020 Revised Corporate Operating Budget in the amount of ₱7,321,448,000.00.

V. Other Agency Accomplishments in CY 2020

Actions/Response to Covid-19- Projects/Activities/Programs

- a. Remitted to the Bureau of the Treasury a total amount of P6,000,070,486.00 to represent Dividend payment and contribution to the 'Bayanihan To Heal As One' Act (RA No. 11469) in support of the government's call for fund support of activities related to COVID-19 response.
- b. Initiated the grant of the following support to stakeholders:

- Rental/concession holidays from March to December 2020
- Extended deferred charges of landing, take-off and parking, and licenses and certificates from March to July 2020
- c. Implemented Traze Contact Tracing Application in CAAP Head Office and Airports.
- d. Implemented and promoted the "new normal" and facilitated orderliness in the processing of passengers.
 - Mandatory wearing of face masks and face shields
 - Conduct Temperature Scanning for incoming and outgoing passengers and maintain Passenger Classification Record
 - Creation of disinfecting/sanitizing team
 - Provision of social distancing markers on gang chairs
 - Placement of alcohols and sanitizers on entrances and exits and after final check areas
 - Provision of Social Distancing Markings, Signage and other related works
 - Provision of foot bath on all entrances at PTB
 - Setting up Motion Sensor Alcohol-Dispenser
 - Provision of Motion Sensor Handwashing Area
 - Require all personnel/visitors entering the CAAP Head Office and airport premises to fill-up Health Declaration Form
 - Construction of temporary space for social physical distancing for passengers at front of PTB Area
 - Extension for additional space for social physical distancing of passengers
 - Installation of Thermal Scanners at domestic arrival area and establishment of health quarantine station at the Domestic Arrival Area
- e. Compliance to the CSC Memorandum Circular on Alternative Work Arrangement during the Pandemic.
- f. Provision of Holding/Waiting Areas and provided assistance for arrived repatriated passengers (OWWA flights).
- g. Daily checking of verified flight manifest with corresponding vehicle arrangement allowed to enter the airport in compliance with LGU regulations
- h. Daily execution of flushing operation conducted by ARFF at the Baggage Breakdown Area (decontamination area) every after flight operation using plain water for sanitation purposes
- i. Disinfection of incoming and outgoing baggage of passengers; and disinfection of Passenger Terminal Building (PTB after every flight operation.
- j. Enforced the vehicle passenger restriction in accordance with the Guidelines mandated by the LGU in the implementation of MGCQ.
- k. Implemented enhanced access control at PTB access gates
- l. Implemented crowd control in arrival passenger holding area, pre-departure, airline check-in, security screening lane and ramp build up areas.
- m. Conducted regular inspection by COVID-19 Response Team: Oversight Group
- n. Installation of motion-sensor automatic doors.
- o. Full monitoring and implementation of Airport Safety Procedures

- p. Coordination of Sweeper and Repatriation Flights, and special general aviation flights.
- q. Submission of Covid-19 related daily and weekly reports to Office of Civil Defense
- r. Provision of Holding/Waiting Areas for arrived repatriated passengers (OWWA flights).
- s. Participation in the conduct of emergency drill (IMPLAN 1 –On Airport Emergency & IMPLAN 8 – Structural Fire)
- t. Continuous coordination with proper agencies particularly DSWD for the hot meals of stranded ROF (e.g. General Santos City International Airport).
- u. Provided assistance to the ROFs/LSIs who encounter stress, hunger/thirst and become restless, frustrated and exhausted (e.g. Cotabato Airport).
- v. Requested Personal Protective Equipment from the Office of Civil Defense (e.g. Cotabato Airport).
- w. Activated/established the incident Command Post (ICP) for Public Health Emergency (EMCON 14), to act as nerve center for airport operations in relation to the COVID 19 pandemic (e.g. Davao International Airport).
- x. Reviewed and updated the Airport's New Normal Protocols and Procedures (e.g. Davao International Airport).

Employment Generation Program

The CAAP has a total nationwide workforce of 6,667 as of end of CY 2020, comprising a 4% decrease from 2019. Personnel complement is a mix of both regular/plantilla (43%) and job order personnel (57%) distributed in various offices nationwide.

In the effort to keep all CAAP employees safe and in compliance with the new health protocols, CAAP has issued memoranda and memo circulars as guidelines for alternative working arrangements (e.g. skeletal force and work from home). Thus, the CAAP HRMD implemented modified time-keeping measures (using online platforms like Google forms or Apps) and weekly Accomplishment Reports. In the area of Recruitment and Selection, HRMD has facilitated the filling-up of Two Hundred Seventy-Four (274) plantilla positions and Five Hundred and Eighty-Six (586) job order personnel for various Services/Area/Airport offices.

A total of forty-six (46) employees have been separated from the service as of end of 2020 compared to twenty-three (23) employees in 2019. Most of them are retirees (32) while the rest are resignations (7)/secondment to DOTr (1)/death (6)/ dropped from the rolls (1). The total numbers of CAAP personnel for CY 2020 are as follows:

- 2,847 plantilla
- 2,993 for LSERV-managed Job Orders
- 737 for CAAP-managed Job Orders
- 90 consultants

Gender and Development

Relevant Information MFO / PAP or PPA	GAD Activity	Performance Indicators / Target	Actual Result (Outputs/Outcomes)
PAP: Operations and Management Service	Provision, Improvement and Maintenance of Breastfeeding Rooms at PTB and CAAP Offices and Facilities (provision of supplies, repainting, enhancement of services)	No. of improved/ maintained Breastfeeding Room for the clients at Airport PTBs	<ul style="list-style-type: none"> - Improvement and maintenance of gender responsive breastfeeding room installed at airport PTB at Laoag International Airport - Provided 1 lot Breastfeeding Room at various Airports' Passenger Terminal Building
PAP: Operations and Management Service	Provision of Kids Play Area at Airport Terminals	Number of Kids Play Area for the clients at Airports' Passenger Terminal Buildings provided	Provided 1 lot Kids' play area at various Airports' Passenger Terminal Building
PAP: Operations and Management Service	Improvement and maintenance (repainting, repair of/and furnishing of TV monitor) of Kids Play Area at Airport Terminals.	Number of Kids Play Area for the clients at Airports' Passenger Terminal Buildings rehabilitated/ refurbished	Rehabilitated/ refurbished/ supplies replenished Kids' play area at various Airports' Passenger Terminal Building

PAP: Operations and Management Service	Maintenance of Diaper Changing Areas at Pre-departure Area of the Passenger Terminal Building of Laoag International Airport	Number of maintained Diaper Changing Areas at Pre-departure Areas of the Passenger Terminal Building	Maintained/upgraded Diaper Changing Area at Pre-departure Area of the Passenger Terminal Building of Laoag International Airport
PAP: Operations and Management Service	Provision of covered pathwalk from Main gate 1 to Gate 2 to Terminal Building at Virac Airport	Number of Covered pathwalk constructed/ provided	Constructed covered pathwalk from Main Gate 1 to Gate 2 to Terminal Building at Virac Airport
PAP: Operations and Management Service	Provision of canopy at Passenger Terminal Building Arrival Area (landside) at Virac Airport	Number of Canopy/covered waiting areas for members of the Marginalized groups traversing exposed spaces while waiting for their passengers	Constructed canopy at Passenger Terminal Building Arrival Area at Virac Airport
PAP: Operations and Management Service	Construction of Communal Toilets with Gender Neutral Stall at Airport Concourse and Parking Areas.	Number of Communal Toilets with Gender Neutral Stall at Airport Concourse and Parking Areas constructed	Constructed Communal Toilet with Gender Neutral Stall at Airport Concourse and Parking Areas at Baguio Airport
PAP: Operations and Management Service	Rehabilitation of existing restrooms in CAAP facilities since not all facilities were rehabilitated as programmed.	Number of restrooms at CAAP facilities rehabilitated within the year for the comfort and convenience of CAAP clients.	Restrooms at Laoag International Airport rehabilitated

GASS : General Administration and Support Services	Celebration of International Women's Month	No. of activities conducted for the celebration of International Women's Month at CAAP Central Office and Area Centers/Airports	International Women's Month celebrated at various CAAP facilities with streamers hanged, IEC materials distributed, with active involvement to raise awareness on GAD of CAAP employees during the Celebration of International Women's Month in the month of March 2020

Local Engagements

The Civil Aviation Authority of the Philippines (CAAP) commits to attain its vision and accomplish its priorities through collaboration and coordination with Local Government Units (LGUs), Local Airport Authorities, and National Government Agencies (NGAs). Moreover, CAAP seeks to adopt and develop policies necessary for its operations and actively participates in various meetings, conferences, and projects/activities/programs conducted by other agencies. Below is the list of local engagements for CY 2020:

- a. Constant coordination with the respective Local Government Units (LGUs), Provincial Disaster Risk Reduction and Management Office (PDRRMO), Municipal Disaster Risk Reduction Management (MDRRM), and Barangays.
- b. Coordinate with the airport stakeholders, LGUs, Regional Task Force, IATF, City Emergency Operation Center and other government agencies in the implementation of the policies, guidelines and executive orders pertaining to COVID-19 emergency.
- c. SONA Coordination Conference organized by PLTGEN Ramon Colet Apolinario (Ret.), the Sergeant-at-Arms of the House of the Representative via ZOOM platform from 1:30pm to 5pm on 20 July 2020.
- d. Video teleconference meeting regarding No-Fly-Zone for the SONA of PRRD on July 27, 2020 via Google Meet platform from 1:30pm to 4:00pm on 23 July 2020.
- e. PADCC SOP on Detection, Identification and Classification of Tracks meeting at 10:00am on September 30, 2020 via Google Meet on 30 September 2020.
- f. MIAA Meeting with Stakeholder regarding Typhoon Rolly at 4:00pm at 4:00pm via ZOOM on 31 October 2020 and 01 November 2020.

Foreign Engagements

For 2020, the Civil Aviation Authority of the Philippines (CAAP) has been actively involved in various seminars, conferences and trainings of the International Civil Aviation Organization (ICAO). The CAAP continuously adheres to policies and standards of the ICAO and persistently enhances aviation capacity through implementation of relevant policies and coordination with co-member States. Below is the list of completed ICAO events attended by CAAP Officials and representatives:

ICAO Meetings/ Seminars/Courses 2020 (face to face)	Participants
Workshop on Building Effective Safety Oversight of Aeronautical Information Services (AIS) and Aeronautical Information Management (AIM) <ul style="list-style-type: none"> ● January 13 – 17, 2020 ● Bangkok, Thailand 	1. Lea Bordon (AANSOO) 2. Dolly Marie Sartaguda (ATS)
ICAO COSCAP SEA-EASA Aerodrome Certification Inspector Course <ul style="list-style-type: none"> ● 20 – 24 January 2020 ● Bangkok, Thailand 	1. Vincent Paul Galdones (AANSOO) 2. Chevy Barajan (AANSOO)
Seventh Meeting of the Common Aeronautical Virtual Private Network Operations Group (CRV OG/7) <ul style="list-style-type: none"> ● January 20 – 22, 2020 ● Bangkok, Thailand 	1. Mary Lyn Santamaria (ATS) 2. Elmer Gomez (ANS)
ICAO COSCAP SEA – EASA Dangerous Goods Inspector Course <ul style="list-style-type: none"> ● 20 – 23 January 2020 ● Bangkok, Thailand 	1. Joan Bolalin (FSIS) 2. Hazel Claire Parulan (ODG)
The Second Meeting of the Asia/Pacific Aerodrome Assistance Working Group (AP-AA/WG) <ul style="list-style-type: none"> ● 27 – 30 January 2020 ● -Bangkok, Thailand 	1. Maximo Fatalla (AANSOO) 2. Alfred Sheldon Sevallos (ADMS)
Eight Annual Technical and Operational Meeting of CASP-AP <ul style="list-style-type: none"> ● February 5 – 6, 2020 ● Bali, Indonesia 	1. Gil Maglaque (CSIS)
COSCAP SEA Aircraft Accident & Incident Investigation Authority Workshop <ul style="list-style-type: none"> ● February 18 – 21, 2020 ● Bangkok, Thailand 	1. Reineer Baculinao (AAIIB) 2. Rommel Ronda (AAIIB)
ICAO & DoTr Meetings and Webinars 2020	
ICAO/ACI Symposium on Implementation of the Global Reporting Format for Runway Surface Condition <ul style="list-style-type: none"> ● April 30, 2020 	1. Marlene Singson (ATS) 2. Maria Golda M. Algara (ATS)
ATFM Tenth Meeting of the Asia/Pacific Air Traffic Flow Management Steering Group (ATFM/SG/10) <ul style="list-style-type: none"> ● May 4 – 8, 2020 	1. Virgilio Cipriano (ATS) 2. Brian Piccolo Lalugan (ATS)

<ul style="list-style-type: none"> • Web video 	3. Tamyra Lemuria Sullivan (ATS)
<p>Fifth Meeting of the ICAO Asia/Pacific Search and Rescue Working Group (APSAR/WG/5)</p> <ul style="list-style-type: none"> • Video teleconference (VTC) • June 9 – 11, 2020 	<ol style="list-style-type: none"> 1. Mr. Braulio Meneses (ATS) 2. Joyce B. Santos (ATS) 3. Maria Jazel S. Collada (ATS)
<p>Fifteenth Meeting of the ICAO Aeronautical Information Services – Aeronautical Information Management Implementation Task Force (AAITF/15)</p> <ul style="list-style-type: none"> • June 1 – 5, 2020 • Video teleconference 	<ol style="list-style-type: none"> 1. Amneris Gabriel (ATS) 2. Alicia Bagot (ATS) 3. George Don Narvaez (ATS)
<p>1st Meeting of the Asia/Pacific GBAS/SBAS Implementation Task Force (APAC GBAS/SBAS ITF/1)</p> <ul style="list-style-type: none"> • (March 2 – 4, 2020) • June 23 – 24, 2020 • Video conference 	<ol style="list-style-type: none"> 1. Michael Rizada (ANS) 2. Jessica Adeline Jamero (AST) 3. Joselito Mamuad (ATS) 4. Ray Arbotante (AANSOO)
<p>3rd Meeting of Mode S Downlinked Aircraft Parameters Working Group (Mode S DAPs WG/3)</p> <ul style="list-style-type: none"> • Video conference • May 12-15, 2020 	<ol style="list-style-type: none"> 1. <i>Rodrigo Maglahus (ATS)-not provided with link by ICAO</i> 2. Davey Arce Jamera (ANS) 3. Ariel Carabeo (ATS)
<p>Fourth Meeting of the Spectrum Review Working Group (SRWG/4) 9 - 10 June 2020</p> <ul style="list-style-type: none"> • Video conference • June 9 – 10, 2020 	<ol style="list-style-type: none"> 1. Charlemagne Gilo (ATS) 2. Amneris Gabriel (ATS)
<p>21st South East Asia Regional Aviation Safety Team and National Coordinators Meeting (SEARAST/21)</p> <ul style="list-style-type: none"> • Video conference • April 29, 2020 	<ol style="list-style-type: none"> 1. Atty. Frank Edward Marty (RSD)
<p>Ninth Meeting of the Meteorological Requirements Working Group (MET/R WG/9)</p> <ul style="list-style-type: none"> • Web conference • May 7 and 11-14, 2020 	<ol style="list-style-type: none"> 1. Florian Atienza (ANS) 2. Ruby Anna Lalugan (ATS) 3. Almira Butial (ATS)
<p>Fifteenth Meeting of the Asia Pacific Regional Aviation Safety Team (APRAST/15)</p> <ul style="list-style-type: none"> • June 24 – 25, 2020 • Video conference 	<ol style="list-style-type: none"> 1. Darwin Callo (ANS) 2. Danilo Lobaton (ATS)
<p>Second Meeting of the Asia/Pacific Wildlife Hazard Management Working Group (AP-WHM WG/2)</p> <ul style="list-style-type: none"> • May 27 – 29, 2020 • Virtual meeting 	<ol style="list-style-type: none"> 1. Alex Balde (AANSOO) 2. Sheila Borlado (AANSOO) 3. Corazon Doctolero (ADMS)
<p>COSCAP-SEA ICAO Global Reporting Format (GRF) Webinar</p> <ul style="list-style-type: none"> • April 30, 2020 • Video con 10-11AM (BKK time) 	<ol style="list-style-type: none"> 1. Vincent Paul Galdones (AANSOO) 2. Marlene Singson (ATS)
<p>CAPSCA-AP/SP Special Meeting</p> <ul style="list-style-type: none"> • May 21, 2020 	<ol style="list-style-type: none"> 1. Dr. Rolly Bayaban (OFSAM)

<ul style="list-style-type: none"> • 9-11 am (Bangkok time) 	
<p>Fourth Meeting of the Aerodromes Operations and Planning Sub-Group (AOP/SG/4)</p> <ul style="list-style-type: none"> • (28 to 31 July 2020) • Nov. 10 – 13, 2020 • Video conference 	<ol style="list-style-type: none"> 1. Erwin Jamero (AANSOO) 2. Marlene Singson (ATS) 3. Helen Grace Cabuyadao (ATS) 4. Efren Nagrama (AC) 5. Alfred Sheldon Sevallos (ADMS)
<p>Singapore Webinar – Navigating the COVID-19 Disruption for Airports and Airlines</p> <ul style="list-style-type: none"> • Video conference • May 18 – 20, 2020 • 4:00pm – 5:30pm (SGT/GMT+8) 	<ol style="list-style-type: none"> 1.
