

**LIST OF ELECTRO-MECHANICAL SYSTEMS/EQUIPMENT INSTALLED IN
AIRPORTS NATIONWIDE**

AIRPORT	SYSTEM/EQUIPMENT
Bacolod-Silay	Airfield Lighting System <ul style="list-style-type: none"> ▪ Precision Approach Path Indicator ▪ Precision Approach Lighting System ▪ Simple Approach Lighting System ▪ Runway Edge Lights ▪ Taxiway Edge Lights ▪ Runway Threshold/End Lights ▪ Stopway and Wingbar Lights ▪ Sequential Flashing Lights ▪ Turning Pad Lights ▪ Apron Flood Lights ▪ Wind Direction Indicator Light ▪ Aerodrome Beacon ▪ Spot Number Lights ▪ Taxiway Guidance Sign Emergency and Standby Power Systems
Baguio	Airfield Lighting System <ul style="list-style-type: none"> ▪ Precision Approach Path Indicator Emergency and Standby Power Systems
Basco	Airfield Lighting System <ul style="list-style-type: none"> ▪ Precision Approach Path Indicator ▪ Aerodrome Beacon Emergency and Standby Power Systems
Busuanga	Airfield Lighting System <ul style="list-style-type: none"> ▪ Precision Approach Path Indicator Emergency and Standby Power Systems
Butuan	Airfield Lighting System <ul style="list-style-type: none"> ▪ Precision Approach Path Indicator ▪ Simple Approach Lighting System ▪ Wind Direction Indicator Light ▪ Runway Edge Lights ▪ Taxiway Edge Lights ▪ Runway Threshold/End Lights ▪ Apron Flood Lights ▪ Aerodrome Beacon Emergency and Standby Power Systems
Catarman	Airfield Lighting System

- Precision Approach Path Indicator
- Emergency and Standby Power Systems

Caticlan
c/o TADHC

Airfield Lighting System

- Precision Approach Path Indicator
- Runway Threshold Identification Lights
- Wind Direction Indicator Light
- Aerodrome Beacon
- Runway Edge Lights
- Taxiway Edge Lights
- Runway Threshold/End Lights
- Runway Directional Signages
- Turning Pad Lights
- Runway Guard Lights

Emergency and Standby Power Systems

Cauayan

Emergency and Standby Power Systems

Clark
c/o LIPAD

Airfield Lighting System

Emergency and Standby Power Systems

Cotabato

Airfield Lighting System

- Precision Approach Path Indicator
- Wind Direction Indicator Light
- Runway Threshold Identification Lights
- Runway Edge Lights
- Taxiway Edge Lights
- Runway Threshold/End Lights
- Aerodrome Beacon

Emergency and Standby Power Systems

Davao

Airfield Lighting System

- Precision Approach Path Indicator
- Precision Approach Lighting System
- Turn Around Pad Lights
- Wind Direction Indicator Light
- Aerodrome Beacon
- Runway Edge Lights
- Taxiway Edge Lights
- Sequential Flashing Lights
- Runway Threshold/End Lights
- Distance-to-Go Marker Lights
- Taxiway Guidance Sign

Emergency and Standby Power Systems

Dipolog

Airfield Lighting System

- Precision Approach Path Indicator
- Runway Edge Lights

- Taxiway Edge Lights
- Runway Threshold/End Lights
- Aerodrome Beacon
- Wind Direction Indicator Light

Emergency and Standby Power Systems

Dumaguete

Airfield Lighting System

- Precision Approach Path Indicator
- Runway Threshold Identification Lights
- Runway Edge Lights
- Taxiway Edge Lights
- Runway Threshold/End Lights
- Aerodrome Beacon
- Wind Direction Indicator Light
- Apron Flood Lights
- Stopway Lights

Emergency and Standby Power Systems

Gen. Santos

Airfield Lighting System

- Precision Approach Path Indicator
- Simple Approach Lighting System
- Aerodrome Beacon
- Wind Direction Indicator Light
- Runway Edge Lights
- Taxiway Edge Lights
- Runway Threshold/End Lights
- Stopway Lights
- Apron Flood Lights
- Distance-to-Go Marker Lights
- Taxiway Guidance Sign

Emergency and Standby Power Systems

Iloilo

Airfield Lighting System

- Precision Approach Path Indicator
- Precision Approach Lighting System
- Simple Approach Lighting System
- Runway Edge Lights
- Taxiway Edge Lights
- Runway Threshold/End Lights
- Runway Wingbar Lights
- Stopway Lights
- Wind Direction Indicator Light
- Sequential Flashing Lights
- Turn Around Pad Lights
- Aerodrome Beacon
- Apron Flood Lights

Emergency and Standby Power Systems

Kalibo

Airfield Lighting System

- Precision Approach Path Indicator
- Simple Approach Lighting System
- Runway Threshold Identification Lights
- Wind Direction Indicator Light
- Aerodrome Beacon
- Runway Edge Lights
- Taxiway Edge Lights
- Runway Threshold/End Lights
- Apron Flood Lights

Emergency and Standby Power Systems

Laguindingan

Airfield Lighting System

- Precision Approach Path Indicator
- Simple Approach Lighting System
- Sequential Flashing Lights
- Precision Approach Lights
- Runway Threshold Identification Lights
- Runway Edge Lights
- Taxiway Edge Lights
- Runway Threshold/End Lights
- Turn Around Pad Lights
- Aerodrome Beacon
- Wind Direction Indicator Light
- Apron Flood Lights

Emergency and Standby Power Systems

Laoag

Airfield Lighting System

- Precision Approach Path Indicator
- Simple Approach Lighting System
- Modified Simple Approach Lighting System
- Runway Edge Lights
- Taxiway Edge Lights
- Runway Threshold/End Lights
- Aerodrome Beacon
- Apron Flood Lights
- Wind Direction Indicator Light

Emergency and Standby Power Systems

Legazpi

Airfield Lighting System

- Precision Approach Path Indicator
- Runway Threshold Identification Lights
- Runway Edge Lights
- Taxiway Edge Lights
- Runway Threshold/End Lights
- Aerodrome Beacon
