TERMS OF REFERENCE

FOR THE SERVICES OF AN ACCREDITED CERTIFYING BODY TO PROVIDE ENVIRONMENTAL MANAGEMENT SYSTEMS (EMS) CERTIFICATION TO ISO 14001:2015 OF CIVIL AVIATION AUTHORITY OF THE PHILIPPINES- ILOILO INTERNATIONAL AIRPORT

I. General Information

Environmental Management Systems (EMS) of Civil Aviation Authority of the Philippines- Iloilo International Airport (CAAP-IIA). The CAAP-IIA requires the provision of Certification Audit from an accredited Certifying Body for the International Standard Organization (ISO) with an approved budget of contract (ABC) of Three Hundred Nineteen Thousand Two Hundred Pesos (Php 319,200.00).

II. Purpose

The purpose of this Terms of Reference (TOR) is to outline the selection criteria requirements for procuring the services of an accredited Certification Body (CB) well-versed with the ISO 14001:2015 Standard for the Assessment Audit of CAAP-IIA EMS.

III. Objective

This project aims to subject the CAAP- IIA EMS to assessment and surveillance audits by an independent CB based on the ISO 14001:2015 Standard towards the continual improvement of the systems, processes and services of the Airport.

IV. Scope of Work

The EMS CB shall:

- 4.1 Conduct an Assessment Audit for the CAAP-IIA EMS covering the management, core, and support processes of the Airport as implemented by the different units;
- 4.2 Issue the ISO 14001:2015 Certification to the CAAP-IIA upon satisfactory compliance with the requirements of the Standard.

V. Responsibilities of CAAP-IIA

- 5.1 The CAAP-IIA, through CAAP-IIA Environmental Management Team (EMT) and Secretariat, shall closely coordinate with the representatives of the CB in the preparation and conduct of audit and other related audit/certification activities.
- 5.2 The CAAP-IIA EMT and Secretariat shall coordinate the conduct of audit activities ensuring that the process owners and concerned CAAP-IIA officials and staff are available on the scheduled dates of audit.
- 5.3 Prior to any execution of activities related to this TOR, the CAAP-IIA EMT and Secretariat shall convene a meeting between the representatives of the CB and the CAAP's key personnel concerned. Close anchoring and monitoring of all activities as indicated herein shall be undertaken by the CAAP-IIA EMT and Secretariat.

VI. Technical Specifications and Setting Requirements

- 6.1. The service provider shall conduct ISO 14001:2015 Certification Audit of the CAAP-IIA EMS being implemented by all the Services/Offices and issue the corresponding Certificate for the purpose:
- 6.2. Conduct of Stage 1 Audit for the assessment of CAAP-IIA EMS Manual Compliance with ISO 14001:2015 within 7 calendar days from receipt of the Audit Plan by the EMT.
- 6.3. Conduct of Stage 2 Audit (on-site or remote audit, whichever is applicable)
- 6.4. The CB shall have adequate technical and management capability in conducting the audit.
- 6.5. The CB shall have the capacity to deploy a team composed of at least four (4) key experts (a lead auditor and members of the audit team).

PARTICULAR	QUALIFICATIONS
Certification Body (CB)	1. At the minimum, a Department of Trade and Industry – Philippine Accreditation Bureau (DTI-PAB) Accredited CB with Philippine National Standard International Organization for Standardization/International Electro technical Commission (PNS), ISO/IEC 17021:2015 (Conformity Assessment – Requirements for Bodies Providing Audit and Certification of Management Systems) and relevant IAF Mandatory Documents (MDs) to provide EMS certification to ISO 14001:2015 for International Accreditation Forum (IAF) 36: Public Administration. 2. With at least five (5) years of experience in conducting ISO EMS audits. 3. CB shall have the capacity to deploy a team composed of at least five (4) qualified experts, i.e., one (1) lead auditor and four (3) members of the audit team, in accordance with the qualification and competencies of key personnel.

Dear Atty. Frances Shanelle,

Thank you for your interest in Bureau Veritas Certification (BVC) certification services.

We are delighted to submit our quotation **PHIL.5103** for the above subject for your organization. This quotation is based on the information provided in your initial enquiry to Bureau Veritas Certification. Please check the information recorded on the attached and kindly advise this office if there are any corrections required.

We would like to draw your attention to the following:-

Bureau Veritas Certification would perform the audit in two stages viz; Stage 1 and Stage 2, the purpose of which is detailed in the Bureau Veritas Certification – Services Agreement which is enclosed along with this proposal. In order to meet the objectives of the Stage 1 audit, you are requested to ensure the following:

- Controlled copies of all your latest management system documentation (including applicable regulatory requirements) are made available to our auditor(s).
- At least one Management Review and one complete cycle of internal audits are performed and the records are maintained.
- The details of your identified performance objectives (or significant aspects/hazards in case of Environmental management and Health and Safety systems) and their deployment are demonstrated to the auditor(s)
- Provide all other relevant information such as details of sites if any and their locations, the processes involved in the Management System, applicable regulations and data on compliance etc; in order to facilitate and effective planning for stage 2 audit.
- Concerned personnel are available during the audit.

In order to proceed with the audit, please sign in the Acceptance Section of our quotation as well as the Service Agreement attached and return the original to this office. This would launch the assessment programme.

We believe that our quotation will meet your requirements and look forward to hearing from you soon.

Please do not hesitate to contact us if you have any clarification.

Yours sincerely,

FAITH LUMBAN
