

Republic of the Philippines
CIVIL AVIATION AUTHORITY OF THE PHILIPPINES

MEMORANDUM CIRCULAR: 8-19

TO : ALL CONCERNED

FROM : THE DIRECTOR GENERAL

**SUBJECT : ALCOHOL CHECK ON RAMP INSPECTION TO BE
CONDUCTED BY JAPAN CIVIL AVIATION BUREAU FOR
FOREIGN AIRLINES OPERATING IN JAPAN**

DATE : 22 FEBRUARY 2019

This is to advise all Philippine air operators with air operations in Japan and its flight crew that the Japan Civil Aviation Bureau (JCAB) has implemented alcohol check during ramp inspections since January 31, 2019. Under this new procedure, flight crew of selected foreign air operators will be subjected to alcohol check to ensure compliance with the standard of blood alcohol concentration in pursuant to Articles 70 and 149 of the Japan Civil Aeronautics Act.

Effectively, flight crew members with blood alcohol level concentration of 0.2g or more per liter or breath alcohol concentration of 0.09mg or more per liter are prohibited from engaging in air navigation services.

For your compliance.

CAPTAIN JIM C. SYDLIONGCO
Director General
