MEMORANDUM

FROM : CAPTAIN MANUEL ANTONIO L. TAMAYO
Acting Director General

TO : ALL APPROVED TRAINING ORGANIZATIONs (ATOs)-
FLYING SCHOOLS

SUBJECT : FLYING SCHOOL GUIDANCE MATERIALS-
SINGLE- PILOT OPERATIONS

As an important element of its Oversight Function to mitigate recurring accidents and serious incidents in the flying school environment coupled with the rapid progress of the aviation industry, this Authority is providing guidance materials related to teaching and assessment of competency-based skills for single-pilot operations. Even the International Civil Aviation Organization (ICAO) recommends that these subjects should be introduced into all pilot training.

The guidance materials provided concentrate on assessing pilot competency and nontechnical skills in the flying environment for flight crew licenses, ratings, and proficiency checks.

TOCID will provide flying schools soft copies of the syllabi which include the following:

1. Private Pilot License Training Course;
2. Commercial Pilot License Training Course;
3. Instrument Rating Training Course;
4. Flight Instructor Rating Training Course; and
5. Threat and Error Management Training Course.

TOCID will also solicit feedback from the Aviation Schools Association of the Philippines (ASAP) on the implementation part of the program.

Compliance with the guidance would be strictly enforced after June 15, 2023.

CAPTAIN MANUEL ANTONIO L. TAMAYO
Acting Director General
