

MEMORANDUM

FOR : **AMNERIS G. GABRIEL**
ADG I, ATS / Acting Division Chief III, HRMD

FROM : **JAIME M. COSEP**
Chief, ANS Administrative Staff

SUBJECT : **POSTPONEMENT OF ALPT EXAMINATION FROM 21
JANUARY 2023 DATE TO BE ANNOUNCE**

DATE : **01 FEBRUARY 2023**

Reference with the 'on going 14th Batch ALPT Recruitment, ANS' has requested the re scheduling of the Airfield Lighting and Power Plant Technician to 21 January 2023 due to the low turn out of applicant.

It is unfortunate that as of 31 January 2023, the total number of applicants from the eleven (11) testing center is a mere one hundred five (105).

In this regard, ANS request the postponement of the scheduled ALPT Qualifying Examination on a date to be announced depending on data to be provided by the AN Operations Department and outcome of consultations with our ANS Field Office Chiefs.

Your utmost understanding and approval on the above request is herewith sought.

JAIME M. COSEP
