JUSTIFICATION

This is to justify that the negotiated procurement of the project, REPAIR/REPLACEMENT OF APRON LIGHTING (LED TYPE) AT LAGUINDINGAN A/P (Negotiated Procurement Two – Failed Bidding), is canceled due to the absence of the three BAC Members. The reason for this, the said Members are on official travel at Ozamiz Airport. Further, the evaluation of the presence and absence of submitted documents is impossible because of their physical absence, not to mention the difficulty of obtaining an internet signal therein. Attached herewith is the official travel for reference.

Wherefore, the Committee, deemed it appropriate to cancel the posted bid, to ensure the orderliness, sanctity, and effective competition of this procurement process.

BY THE AUTHORITY OF THE BIDS AND AWARDS COMMITTEE:

CESAR R. ELAGO JR.
BAC Member
