Pursuant to the Philippine Civil Aviation Regulations (PCAR) Part 1: 1.1.2.1 – Regulations Amendment Procedure, the Civil Aviation Authority of the Philippines (CAAP) will be conducting a Public Hearing on the proposed amendments relative to the Citizenship Requirement for the Registration of Aircraft, application for Air Operator Certificate, and Certificate of Authorization for Aerial Work Operations. Details are as follows:

Date : 02 October 2024
Time : 09:30 A.M.
Venue : Multipurpose Hall, Civil Aviation Training Center,
Merville Access Road, Pasay City

The proposed amendments aim to repeal the citizenship requirements for aircraft registration and issuance of Air Operator Certificate found in PCAR Parts 1, 4, 9, and 11. This initiative aligns with the Public Service Act, which seeks to remove nationality restrictions on investments in public utilities and allow foreign investors to fully own public utility companies, provided they comply with certain regulations and requirements set by the government.
