

BID BULLETIN NO. 1

**SUPPLY AND DELIVERY OF METEOROLOGICAL INSTRUMENT
FOR CATBALOGAN AIRPORT**

(Bid No. 24-073-04 BRAVO)

OCTOBER 08, 2024

I. Bidders' Query/Clarification

1. *Schedule of requirement item #II – We would like to confirm if the Meteorological Display Panel (for ATC cab) is a weather panel display only or a complete workstation (computer desktop).*

REPLY: As stated in Section VII, Technical Specifications, Item B.2.4.1.4;

The meteorological weather display unit shall either consist of:

- a. an independent/standalone display panel that is capable of processing and display the weather information directly from the central processing system; or
- b. an LCD/LED monitor connected to the ATC Workstation Unit (WSU) that processes data from the central processing system.

2. *Technical Specifications B.2.6.1.6 – We would like to confirm also if the needed UPS is 3 pcs. Based on the equipment listed on the schedule of requirements section II the Maintenance/monitoring device is only a laptop and doesn't need a separate UPS.*

REPLY: Kindly refer to amendments/revisions to the technical specification below.

3. *Technical Specifications B.2.2.2.1.4 – We would like to ask if we can only deliver single 2TB drive. (3.5" SATA 7200rpm Hot-Plug HDD or SSD or SAS). Since the system is only small and not needing a big storage capacity.*

REPLY: As stated in Section VII, Technical Specifications, Item B.2.4.1.2;

The contractor shall provide the workstation with redundant storage (i.e., RAID1 configuration) or equivalent.

Thus, in order to provide **redundancy** in storage of data and to comply with **RAID1** (disk mirroring) or equivalent configuration, a minimum of 2 (two) units of HDD/SSD/SAS is required.

II. Amendments/Revisions to the Bidding Documents:

PARTICULARS/CONCERNS		AMENDMENTS/REVISIONS	
Section VII. Technical Specifications Item B.2.6.1.6.			
The contractor shall properly observe the minimum number of the UPS for this project:		The contractor shall properly observe the minimum number of the UPS for this project:	
Equipment	Number of UPS	Equipment	Number of UPS
Central Processing System	1unit	Central Processing System (ANS Eqpt. Room)	1 unit
Maintenance & Monitoring System Workstation	1unit	Wireless radio link (Tower unit)	1 unit
ATC Cab Room Workstation or Display Unit	1unit	Workstation or Display Unit (ATCT Cab Room)	1 unit

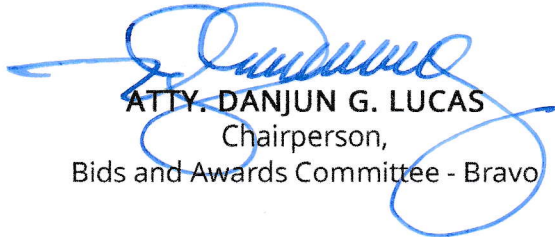

This bid bulletin is issued pursuant to Section 22.5 of the 2016 Revised Implementing Rules and Regulations of Republic Act No. 9184, to clarify, modify or amend items in the Bidding Documents. Accordingly, this shall form an integral part of the Bidding Documents.

For the information and guidance of all concerned.
